Result	Comments
Validate (1)	

2. General comments regarding course outline review.

- Business/Industry evaluated/commented
- Also discussed “The Jar” + “Prostart I + II”
- Discussion of Food Handlers Certificate/Management Certificate/ & Proctor Certificate

3. Questions to Business Panel regarding careers, trends and needs in the career pathway.

- Discussion of classes offered at Mt. Sac & Cal Poly Pomona.
- Discussion of curriculum at colleges and tours for students.
- Child Dev. – Recreation – Junior staff is available in a few parts which is a valuable way to gain experience in working with children

4. Discuss Job Markey Survey

- Mt. Sac is a great option because of lower cost. Discussion about wages & need for graduating without debt.

5. General suggestions and recommendations.

- Child Dev. – Build on creative, age-appropriate lessons and activities to do with children with minimal equipment and materials.
- Discussion of rigor of Mt. Sac classes and often first impression changes once students realize the rigor of curriculum.
