## Business Partners in Education

# *Ways to Get Involved in Preparing Students for Their Future*

**2018-2019**

### **Connections to the Future**

Business and community representatives have lunch with students, practice networking skills, discuss a focus topic and visit a school to learn about current educational programs.

**(RSVP Required-November 6, 2018, 11:00 a.m. to 1:30 p.m., Nogales High School Gym)**

### **Lunch with the Experts**

Share information about your career at a round table lunch discussion with a group of 9<sup>th</sup> and 10<sup>th</sup> grade students **(February, 2019)**

### **Internship Program**

Students gain work experience by working in a local business for 36 hours over 6-7 weeks as a non-paid intern. Students gain practical experience connected to their career interest, while providing no dollar cost or liability to the business. **(Placements are between September-March)**

### **Student Presentations**

Business representatives participate in student presentations by asking students questions, reviewing student projects, evaluating presentations and provide feedback. **(NHS – March 13 & 14, RHS – March 20, 2019)**

### **Student Exit Interviews**

Business representatives participate on a panel to interview students. Students share their portfolios that represent their work through the Certificate Program. **(Week of May 13, 2019)**

### **Business In the Classroom**

Business representatives visit classes to: 1) give an overview of their industry and future demands, 2) share personal experiences that lead them to their current career; and or 3) teach a specific topic or lesson. **(All year)**

### **Business Advisors for Advisory Committees**

Business representatives review and make recommendations regarding curriculum and participate on a panel to provide input regarding industry needs and trends. **(Spring, 2019)**
