# CAREER CERTIFICATION PROGRAM

The Rowland Unified School District Career Certification Program provides students the opportunity to earn a Certificate of Completion in a career pathway in addition to earning their high school diploma at graduation.

Students develop professional and personal skills preparing them for employment and higher education.

Students commit to completing the following program requirements:

- **Earn more than a High School Diploma**
- **Take control of your future**
- **Learn professionalism by working with professionals**

## Program Requirements

- ◆ Complete the pathway sequences of courses
- ◆ Earn a "B" average (80%) in the core courses
- ◆ Earn a "B" or better grades in advanced courses
- ◆ Earn a "B" or better in Senior Seminar
- ◆ Earn proficient evaluations from professionals

## What Is Senior Seminar?

Senior Seminar brings together the knowledge and skills students have learned throughout the Career Certification Program. Students focus on the following areas:

**Internship**-Students are placed at a local business where they work after school in a non-paid position for 36 hours over a 7-week period to gain practical experience in their career interest area.

**Research Project**-Students design and complete a project that demonstrates advanced knowledge related to their area of specialization.

**Presentation**-Students prepare an oral presentation of their project to present to an audience of professionals for review.

**Portfolio**-Students assemble a portfolio containing a collection of work representing their four years of study. The portfolio is presented in an exit interview to a panel of professionals for evaluation.

**To sign up and get more information, see one of your career path teachers or see your guidance counselor.**

# INTERNSHIPS

---

Career Certification Program students have the opportunity to put their skills into practice working at a local business as an intern. Over seventy companies participate in the Internship Program. These companies represent industries such as:

**Aviation**

**Automotive**

**Banking**

**Construction**

**Educational Agencies**

**Employment Agencies**

**Engineering**

**Entertainment**

**Financial Services**

**Government Agencies**

**Graphic Arts**

**Healthcare**

**Insurance**

**Law Enforcement**

**Legal Firms**

**Manufacturing**

**Media**

**Real Estate**

**Sales**

**Social Services**

**Technology**

**Transportation**

Businesses offer students non-paid internships, providing them a variety of experiences in the workplace. Students are responsible for working 36 hours under the supervision of an industry supervisor, including one full 8-hour day. At the completion of the internship, many students are hired by the companies where they completed their internship.
